payable (including a nil amount) for the tax period to which the declaration relates being that amount as set out in the declaration.

- 2/ When a self-assessment taxpayer liable for income tax under Schedule 'B' or 'C' has filed a self-assessment declaration in the approved form for a tax period and the taxpayer has a loss for the year, the taxpayer shall be treated, for all purposes of this Proclamation, as having made an assessment of the amount of the loss being that amount as set out in the declaration.
- 3/ When a self-assessment taxpayer has filed a VAT return in the approved form for a tax period and the taxpayer's total input tax for the period exceeds the taxpayer's total output tax for the period, the taxpayer shall be treated, for all purposes of this Proclamation, as having made an assessment of the amount of the excess input tax for the period being that amount as set out in the declaration.
- 4/ A tax declaration in the approved form completed and filed electronically by a taxpayer is a self-assessment return despite the following:
 - a) the form included pre-filled information provided by the Authority;
 - b) the tax payable is computed electronically as information is inserted into the form.

26. Estimated Assessments

28. Amended Assessments

- 1/ Subject to this Article, the Authority may amend a tax assessment (referred to in this Article as the "original assessment") by making such alterations, reductions, or additions, based on such evidence as may be available, to the original assessment of a taxpayer for a tax period to ensure that:
